

Tasmania Fire Service

## FIRE SAFETY COURSE

This course is designed for personnel in all workplaces. The skills and knowledge gained through this course can be applied in a range of settings including the home and will assist in maintaining a safer workplace.

Upon completion of this course participants will have an understanding and increased awareness of fire prevention and initial response in the event of a fire through the implementation of emergency quick action guides. The unit of competence is *Develop workplace fire safety awareness*.

The TasFire Training Code of Practice can be found on our website at [www.tasfiretraining.com.au/code\\_of\\_practice.html](http://www.tasfiretraining.com.au/code_of_practice.html).

### Content

- Common causes of fires in the workplace
- How to prevent fires in the workplace
- What to do if a fire occurs in your workplace
- Identifying portable firefighting equipment

### Cost

The duration of the course is 2 hours with a course fee of \$700 for up to 15 people.

### Course Dates

Group bookings and training courses can be tailored for your organisation. Please contact our regional Senior Consultants for more information and pricing. Course dates can be arranged as and when needed.

### Venue

This course can be conducted in the workplace where there are appropriate facilities provided and safety and environmental issues can be addressed.
